

Accredited Laboratory

A2LA has accredited

UNITED STATES STEEL CORPORATION

Portage, IN

for technical competence in the field of

Mechanical Testing

This laboratory is accredited in accordance with the recognized International Standard ISO/IEC 17025:2017 *General requirements for the competence of testing and calibration laboratories*. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer to joint ISO-ILAC-IAF Communiqué dated April 2017).

Presented this 26th day of August 2020.

A handwritten signature in blue ink, appearing to be 'A. ...', written over a horizontal line.

Vice President, Accreditation Services
For the Accreditation Council
Certificate Number 2226.01
Valid to July 31, 2022

For the tests to which this accreditation applies, please refer to the laboratory's Mechanical Scope of Accreditation.
