

Masashi Imoto

Executive Vice President & Chief Strategy Officer

Masashi Imoto is Executive Vice President and Chief Strategy Officer at U. S. Steel. In his current role, Mr. Imoto leads integration efforts for Nippon Steel Corporation (NSC), with a particular focus on unlocking synergies between NSC and U. S. Steel.

Since beginning his career at NSC in April 1991, Mr. Imoto has held a number of senior roles spanning both domestic and international operations. His past leadership positions include Executive Officer and Head of the Pipe & Tube Unit, as well as Executive Officer and Vice Head of the Flat Products Unit. He also led the Flat Products, Rails & Shape Global Marketing Division, deepening his expertise across a range of product segments and global markets. He also brings international experience to his role, having previously served as Director of Commercial at USIMINAS in Brazil.

Mr. Imoto is a graduate of Kwansei Gakuin University, where he earned a B.A. in Economics.
